Dear [REDACTED]

25X1A

I think the Proceedings is a fine job, of which you can well be proud; it reflects credit on all of us and on the Agency, and I want you to know that I appreciate greatly the time and care you have devoted to this project, which must have been a considerable addition to your normal duties. I am sorry you cannot carry a copy home with you as a souvenir of your achievement, so perhaps this note can serve instead. Thank you very much for your fine performance and important contribution to the success of the entire undertaking.

Sincerely,

25X1A
